

Bevin Wirzba

Executive Vice-President and Group President, Liquids Pipelines and Coastal GasLink (CGL)

Bevin Wirzba is Executive Vice-President and Group President, Liquids Pipelines and Coastal GasLink (CGL). In his role, Mr. Wirzba is responsible for overseeing the company's liquids transportation business and will lead the new Liquids Pipelines Company as the President and CEO. Mr. Wirzba is also President of Coastal GasLink, where he oversees the development and execution of the 670-km pipeline planned to deliver natural gas from Northeastern BC to Kitimat for LNG export.

Before joining TC Energy in 2019, Mr. Wirzba was a senior executive leading the commercial functions of an intermediate upstream producer. He previously held the role of Managing Director in energy advisory for a global investment bank and began his career with a major integrated energy corporation with multi-disciplinary roles across North America and internationally.

Mr. Wirzba holds a Bachelor of Science in Civil Engineering from the University of Alberta, a Master of Business Administration from the Edinburgh Business School and is a member of the Association of Professional Engineers and Geoscientists of Alberta (APEGA). He also sits on the board of directors for STARS.

TC ENERGY

We're a team of 7,000+ energy problem solvers working to move, generate and store the energy North America relies on. Today, we're taking action to make that energy more sustainable and more secure. We're innovating and modernizing to reduce emissions from our business. And, we're delivering new energy solutions – from natural gas and renewables to carbon capture and hydrogen – to help other businesses and industries decarbonize too.

TC Energy's common shares trade on the Toronto (TSX) and New York (NYSE) stock exchanges under the symbol TRP. To learn more, visit us at [TCEnergy.com](https://www.tcenenergy.com).
