

Bevin Wirzba

Executive Vice-President and President, Liquids Pipelines

As Executive Vice-President and President, Liquids Pipelines, Bevin Wirzba is responsible for TC Energy's Liquids transportation business.

Prior to his current appointment, Mr. Wirzba was Senior Vice-President, Liquids Pipelines, accountable for the profitability and commercial management of TC Energy's Liquids pipelines.

Before joining TC Energy in 2019, Mr. Wirzba was a senior executive leading the commercial functions of an intermediate upstream producer. He previously held the role of Managing Director in energy advisory for a global investment bank and began his career with a major integrated energy corporation with multi-disciplinary roles across North America and internationally.

Mr. Wirzba holds a Bachelor of Science in Civil Engineering from the University of Alberta, a Master in Business Administration from the Edinburgh Business School and is a member of the Association of Professional Engineers and Geoscientists of Alberta (APEGA).

TC Energy

We are a vital part of everyday life — delivering the energy millions of people rely on to power their lives in a sustainable way. Thanks to a safe, reliable network of natural gas and crude oil pipelines, along with power generation and storage facilities, wherever life happens — we're there. Guided by our core values of safety, responsibility, collaboration and integrity, our more than 7,300 people make a positive difference in the communities where we operate across Canada, the U.S. and Mexico.

TC Energy's common shares trade on the Toronto (TSX) and New York (NYSE) stock exchanges under the symbol TRP. To learn more, visit us at [TCEnergy.com](https://www.tceenergy.com).
